

Service Officer's Corner

1. McVets: The Northern Central District will be having a tour of McVets on Wednesday, 16 November 2016 @ 11:00 A.M. If you don't know about McVets, how they operate or what they do to aid our homeless veterans I strongly recommend you go, you will be pleasantly surprised. I will need a head count at the October Membership Meeting. Please continue bringing in all used men and women's clothing to the post for distribution to McVets.

2. National Commander's Banquet: The banquet will be held on 18/19 March 2017 at Post #109. Dinner will be on Saturday and breakfast on Sunday. We hope to have a sellout. Once again we will be asking for volunteers so please put these dates on your calendar.

3. National Emergency Fund: My project this year is entitled "Pigs in The Post". Each post will be getting (2) pigs. When you see these pigs on the bar, please put your loose change in them and I'll collect them. All monies collected will go into the N.E.F.

4. Cell Phones: Continue asking your friends and neighbors for their old cell phones. Each minute used to refurbish a phone goes on a phone card to the servicemen and women overseas so they may keep in touch with their loved ones here at home.

5. History: The 100th Anniversary of The American Legion is coming up in a few years. Now is the time to be thinking of what you can do. If you have any items that pertain to the history of our post, please get in touch with John Henn.

6. Thank You: My heartfelt thanks go out to all Legion, Auxiliary and S.O.N.s members of Post #109 who support me as I travel down the road this year as your Northern Central District Commander.

Yours in Legion Service,
Wild Bill Ganz

Membership

Hello Legionnaires! We have 5 new members in our Post: Welcome Louis Bauer, Charles Ashby, Daniel Neville, Pete Underwood, and Bill Young! Please introduce yourselves and greet them warmly when you see them around the Post.

Membership in the American Legion requires proof of eligibility. Our Post is required to maintain a copy of each member's discharge to keep both our tax-exempt AND American Legion status. Also this is a place where your family member can get the information needed for Military Internments, VA benefits, and other issues requiring proof-of-service. Please provide a copy of your discharge if you have not already done so. It is very sad to have to tell a grieving family member "I'm sorry but we don't have a copy of the discharge" when they are seeking help.

Remember all dues returned before November 10 will be included in our "Early Birds" drawing for 3 separate one-year memberships; drawing to be held at 1600, Friday, November 11th.

Haven't received your card - the check wasn't cashed - membership out of date - I can't fix the problem if I don't know about it. Please contact me with membership concerns.

My number is 443-845-1879.
