We do not have our unit meetings in July and August but will be looking forward to have many members attend in September.

Each member can contribute in their own way to help fulfill the obligations that we have to our veterans who struggle every day for our freedom or to take part in the many programs for the community.

Please take part in your Unit activities. Many that participate take the burden off of a few. We are always looking for members to get involved either by holding an elected Office or being a Committee Chairperson.

We are planning as our fundraisers next year – cash calendars in January and May and a quarter auction in October.

As a reminder – the convention is July 13-17th in Ocean City. Please attend and enjoy socializing with your legion family.

A great big thank you to all those members who have stepped forward and taken their time for the various offices this coming year.

A reminder – your dues for the upcoming year starts in July please be an early bird.

If someone becomes ill, please contact our Chaplain at 410-796-7026.

Please have a safe and wonderful summer – see you September 8th.

Jean McElroy, Unit President
